Testimonials

“He is genius!!

We met Jim at a festival and were blown away by the magic he performed close up. He is genius!! We asked him to entertain our guests during the drinks reception at our wedding last week and it was one of the best decisions we made. All the guests loved him. Jim is extremely professional and a pleasure to deal with. Can't recommend him highly enough.

“You're the best!

Jim performed magic at our wedding in Custom Lane. He completely blew our minds with his slick tricks and awesome sleight of hand. We have seen Jim perform a number of times before, but never lose our wonderment at how he does it! Our guests have been raving about him ever since. We are also very grateful for the special magic trick that he did especially for us - you can see the look of amazement in the photos. Thanks again Jim for adding a touch of magic to our wedding. You're the best!

“Book Jim NOW!!

Book Jim NOW!! Jim performed magic at our wedding meal recently... everyone, without exception, loved him. Jim is a delightful, charming performer who can and does win over even the biggest sceptics. It's a joy to watch someone who clearly has such a love and passion for what they do.

“Great entertainer

Jim performed at our Wedding on 3rd February 2018 at Summerhall. We met Jim back in August 2016 where he helped create 'some of' the magic on our first date...His tricks are great. At our wedding he entertained at the drinks reception / meal and part of the evening. All the feedback we got from our friends was he was brilliant - they still keep going on about him. We managed a couple of tricks with him ourselves and were not disappointed. Jim is friendly and a great entertainer.
